

REMARKS

Responsive to the restriction requirement set forth in the Official Action of September 28, 2004, applicants elect Group I, claims 12-21, drawn to a modular module securing device, without traverse.

Non-elected claims 22-27 are canceled herewith, but may of course be made the subject of a divisional application to be filed any time during the pendency of this application.

New claims 28-33 are added that depend from claim 12 and further define the invention. Claims 28-33 are believed to read on the elected invention.

Favorable action on the merits of claims 12-21 and 28-33 is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
